**Boo Boo's Best** is delighted to announce the launch of our new and improved 100% natural **boosters!** product line: A nutritional boost in every bite!!

### **TRAINING TREATS FOR DOGS**

*So scrumptious dogs will do anything for them! They break easily and cleanly without turning into a powdery mess in your pocket or treat bag.*

### **FOOD TOPPERS FOR DOGS & CATS**

*Allow pet owners to provide a boost of delicious, natural, wholesome, healthful, whole-food nutrition every day. So delicious they entice even the pickiest eaters!*

### **SINGLE INGREDIENT TREATS FOR**

**DOGS & CATS** Offer Omega-3 Fatty Acids which may help to support joint, heart, skin, coat and immune system health; all with a taste dogs & cats cannot resist!

These 100% natural, whole-food **boosters!** are made from wild or grass-fed meats from Australia, New Zealand and the USA; antioxidant-rich fruits and vegetables; organic virgin coconut oil and more!!

**Our boosters! line features exotic proteins like Goat, Kangaroo, Rabbit, Alligator, Salmon, Pork & Wild Boar, Green-Lipped Mussels from New Zealand and Whole Wild-Caught Anchovies.** These novel proteins are terrific for dogs or cats with allergies or digestive issues; and make super-motivating training treats, as well as the perfect food topper to entice bored, stressed or picky eaters to lick their bowls clean!

Best of all, these **boosters!** allow pet owners to give their dogs and cats a whole, all-natural nutrition boost every day!

Our proprietary recipes and dehydration process allow our **boosters!** to retain exceptional nutrients and taste while at the same time yielding a safe product.

Our **boosters!** are made without grains, corn, soy, gluten, artificial ingredients of any kind, or ingredients from China.

**SuperZoo Show Special: Purchases made at the show receive 20% off!**
