Aquatop® Introduces New Reef³ Cube

(Brea, Calif.)– [Aquatop®](#), a leading manufacturer of aquarium and pond supplies for both fresh and saltwater tanks, introduces a new all-in-one marine and reef system. The Reef³ Cube includes all the equipment for a successful saltwater aquarium. Easy set up and simple maintenance makes this the ideal set-up for the new or advanced hobbyist. The 24 gallon high clarity glass aquarium comes pre-drilled and includes a stand with concealed sump system.

Features Include:

- 24 Gallon High Clarity Tank with Glass Cover
- 7 Gallon Sump in Pre-Assembled Stand
- HTG 200W Heater with Guard
- MaxFlow SWP-2300 Pump
- Xyclone Protein Skimmer with Pump
- Bright 20W LED Lighting System
- All Connections and Fittings
