## MAKE IT A BIG TOP

This grooming table pampers the groomer as much as the pet. The [Big Top Grooming Table™](#) features a spacious 48" long table with the same high-quality features as [Shor-Line's Elite Grooming Table](#).

The smooth, quiet electric lift elevates the pet (up to 200 lbs.) from 20" to 41" high. You choose the most comfortable height for you to groom, without lifting.

This table is packed with premium features:

- The pivoting grooming arm travels 180 degrees around the end of the table. The arm locks into five positions horizontally, and is fully adjustable between 22" and 39" vertically. The loop hook has six position choices.
- The lightly textured table has a proprietary polyurethane coating, providing a stable and comfortable surface for the pet.
- Leveling legs adjust to most surfaces.
- This is the only UL/CSA certified grooming table on the market.

This table is available in six colors: Burnt Orange, Screamin' Green, Plum Perfect, Electric Pink, Silver Vein and, our newest color, Shor-Line Blue. For more information, call 800-444.1579 or check it out [online](#).
