Brand New, Made in USA, Close 2UR Heart jewelry collection for pet parents!!!

Chester Township, New Jersey

Close 2 UR Heart collection was created from our love for the animals, and it continues to grow every day. Currently we offer hand made in America jewelry and accessories ranging from the best friends we have at home to beautiful wildlife in far exotic places.

We wanted to create a collection that is dear and near to one's heart at the same time to help animal in needs. A portion of all sales proceed will be donated to various animal charities.

Close 2UR Heart collection is designed with quality, comfort, and safety in mind. We only use safe pewter and stainless steel findings that are lead, nickel and cadmium free.

Please visit us at Super Zoo, Booth 6165 to find everything that is close 2 UR Heart!
