## CYCLE DOG'S NEW FUZZIES SPRINGY THINGS-USE MADE SOFT TOYS

**PORTLAND, OR USA (June 1, 2016)** – Cycle Dog-Earth Friendly Pet Company is proud to announce their expanded line of Fuzzies, USA-made soft toy collection. Fuzzies Springy Things are stretchy plush toys that dogs love to pull, tug and cuddle with. Made from post-consumer recycled materials, Duraplush construction combines a soft plush outer material dogs love with bonded inner laminate for durability. Stitchguard double stitched internal seams for additional protection. Available in two sizes for large and smaller dogs. Handsewn in Portland Oregon. For further information, contact Cycle Dog at 503.318.8066 or [www.cycledog.com](http://www.cycledog.com).

### About Cycle Dog

All Cycle Dog products use post-consumer recycled materials to help lower your carbon pawprint. Hand crafted products are made in Portland, Oregon. Cycle Dog's offerings include collars, leashes, toys, bowls, treats, beds and accessories.

President Lanette Fidrych's love of dogs and the environment led to the formation of Cycle Dog. Cycle Dog is currently selling in specialty bike, outdoor, and pet retailers, as well as on their website [www.cycledog.com](http://www.cycledog.com). They are currently accepting inquiries from qualified retailers to expand their dealer base.
