FOR IMMEDIATE RELEASE

Dog Rocks® and Pet Remedy Exhibiting at SuperZoo 2016, Booth #4117

Dog Rocks® and Pet Remedy Showcasing Their Unique Product Line at SuperZoo 2016 on August 2 - 4 at the Mandalay Bay Convention Center in Las Vegas, Nevada Booth #4117

Lake Worth, FL - May 4, 2016 - Dog Rocks® and Pet Remedy have announced they will be exhibiting at this year's premier pet industry trade event, SuperZoo. Both brands are excited to showcase their innovative product lines at Booth #4117, August 2 - 4 at the Mandalay Bay Convention Center in Las Vegas, Nevada.

Each year, SuperZoo brings together buyers and sellers from across the country and every segment of the pet industry. Pet retailers come to this event for the innovative products, leading-edge education and unmatched networking opportunities to build sales and improve their businesses. Learn more at: <http://www.superzoo.org>.

"The Dog Rocks and Pet Remedy team is dedicated to providing pet families with natural and safe solutions to common pet problems," expresses Carina Evans, CEO of Dog Rocks® and Pet Remedy, "Attracting thousands of pet professionals from all over the world, SuperZoo is an ideal place to present our innovative, beneficial and award-winning brands with the pet industry."

Since launching in 2009, Pet Remedy has been naturally tackling stress and anxiety in animals and has received various awards and recognition for their unique product line. Made in the United Kingdom, Pet Remedy calming sprays can be sprayed on yourself, your pet or in your pet's living environment. Essences have been used for thousands of years to assist with calming. The sprays are made from the best quality blend of herbal essences, valerian, sweet basil, sage and vetiver.

Dog Walkers, groomers & vets find it useful to spray their work-wear in order to help the calming effects of Pet Remedy take hold. Pet Remedy is even safe for your animal companion and can be applied directly to their coat. Horse's muzzles, necks and halters can be sprayed in Pet Remedy to help alleviate stress. Learn more about Pet Remedy at: <http://petremedyusa.com/>.

For pet owners, maintaining the outdoor property and lawn can often be a challenge. The nitrogen in dog urine can cause lawn burn, which are unpleasant brown spots of dead grass scattered across the yard. Dog Rocks® are a 100% Natural Australian product that will save your lawn from those nasty burn patches that your dog's urine can cause by filtering out impurities from water such as tin, ammonia and nitrates.

Dog Rocks® give your four legged friend a cleaner source of water, while eliminating urine burn on grass. Without the impurities in the water, Dog Rocks® actually help your dog fertilize your lawn. This is great for you, your dog & your lawn, which makes this unique product a win-win for all! Dog Rocks® most recent accomplishment has been receiving the prestigious Queen's Award for Enterprise in International Trade in April 2016. Learn more about Dog Rocks® at: <http://dogrocks.co.uk/>.
