You and Your Pooch Will Love This Buddy

- A mini you when you're unable to be with your pooch.-

June 2, 2016 - Simsbury, CT - With the belief that our dogs help motivate us to be affectionate and thoughtful people, Poochie-Pets introduces the Snuggle Buddy Blanket to show our four-legged family members how much we care, especially when we're apart. Your dog's personal blanket and *mini you*, Snuggle Buddy is made of soft, *minky* fabric and shaped as a boy in blue and girl in pink. By rubbing Snuggle Buddy on your arm or sleeping with it at night, your scent will be released onto the blanket and you'll always be just a sniff away. Snuggle Buddy is compact and portable for doggie daycare or whenever pooch is separated from his/her favorite human, you. USA-handcrafted of high-quality, machine-washable, polyester fabric. Measures 16" x 23". MSRP: \$27 www.poochie-pets.net
