ELLO PET SUPPLY ANNOUNCES DISTRIBUTION PARTNERSHIP WITH NATURA PETZ ORGANICS

LITTLETON, CO

Ello adds Natura Petz Organics to natural wholesale product lineup.

Ello will market three different Meal Toppers: Joint Support, Break it Up and Life's an Itch. Two Specialty Supplements: Dog & Cat Kryptonite and two Starter Packs: Anxiety Starter Pack or Stone Eliminator Pack. All of these premium and holistic products are Veterinarian formulated from wild and sustainably harvested ingredients.

Natura Petz Organics products contain no fillers, preservatives, gluten, GMO or chemical anything. Natura Petz Organics products contain adaptogens and unique plant ingredients from the Amazon and Andes, which are ONLY found in Natura Petz Organics formulations. They bear the highest industry certifications possible, ensuring that all products are safe and effective for dogs and cats.

In keeping with Ello's philosophy that all dogs deserve to be happy and healthy, Natura Petz Organics believes pets are family and deserve only the best. They don't just want pets to be healthy; they want them to thrive! They aim to help pets achieve balanced health, wellness and potential disease prevention, looking at the underlying cause of disease. Natural products may help support your pet's body by helping to address the root cause for disease, and may help nutritionally repair or correct dysfunction.

“The selection of Natura Petz Organics products we have chosen meets a need in the marketplace for high quality, natural products aimed at sustaining pet health. Ello is excited to be offering the Natura Petz Organics product line. They represent some of the best pet wellness remedies on the market today.” - Jaime Rowe, President of Ello Pet Supply.

Ello’s distribution network has expanded nationally in the past six months and there is a focus to add supplier partners like Natura Petz Organics that can meet the demands of their growing pipeline and produce high quality goods for discerning retail partners.
