

FOR IMMEDIATE RELEASE

LIFEGARD AQUATICS INTRODUCES FULL VIEW AQUARIUMS

Cerritos, Ca.----Lifegard's Full View Aquariums are not your traditional flat front square or cube tank... but are well-designed with an angled front to allow a larger viewing area inside the tank... when placed at the same level with a flat front tank. No more bending down to enjoy the life inside the aquarium. The Full View Aquarium offers the maximum viewing area in its class. This modern designed aquarium comes as Complete or Basic and with built-in back filter or with Internal Filter. Complete with built-in back filter comes with all the necessary Mechanical Filtration, Carbon Filtration, Full Spectrum LED lighting, Quiet One® 400 Pump, Integrated CO2/O2 dispensing capability, Water Level Control with Waterfall, Bio-Media, and Flex Water flow required for a healthy ecosystem.

GREATER VIEWING AREA

Full View Aquarium offers a greater viewing area compared to a traditional flat front square or cube.

Full View Aquarium models are available in 5 and 7 Gallon sizes... in complete and basic programs also with built-in back filter or with internal submersible filter... that include those accessories to satisfy most setup requirements. Call **800-628-8771** or visit Lifegard's web site www.lifegardaquatics.com to obtain a complete catalog or for further information on this and many other popular products designed to enhance the aquatics hobby.

Neal Dulaney, President of Lifegard feels it only fitting to introduce these Aquariums at Superzoo, since they complement the Lifegard line of products so well...with over 70 years of outstanding aquatic product development that Lifegard has achieved in the industry and has exhibited at shows such as this. Visit Booth #3909 at SUPERZOO to see these and other exciting new products. **Show Dealer Specials** include **25% Off** all Power-2 and Power-3 LED Lights, **20% Off** all Heaters, **15% Off** on other Lifegard products (some limits apply on commercial products and Lights 60" plus)...the Show Special discounts apply on select products ordered during Superzoo...and up to one week later.
