HELLO DOGGIE

Hello Doggie awaits in excitement for Superzoo with Brand New luxury products underway! Hello Doggie is located in Davie, FL USA specializing in high quality luxury handmade Dog beds, Carriers, clothes, and accessories always made with love! Hello Doggie began in 2007 when the Owner, Eleonora Bonfini decided to create her own luxury and high quality pet product line. In light of her love for small dogs Eleonora wanted to create unique luxury pet products for small breeds to live like royalty in high quality comfort with trendy pet fashions to bring out your small dog's individuality. Hello Doggie carefully designs and creates all products in Eleonora's factory located in Davie Florida using only the highest quality fabrics with a luxurious look and feel for every product.

Hello Doggie remains delightful and exciting with new design ideas brewing frequently. Eleonora has every design idea for a product made and tweaked to perfection before anyone knows about it. Every product handmade by Hello Doggie goes through a process of designing, sewing, tweaking, and durability tests before any final product is ready for launching.

Every pet deserves to be pampered and spoiled like royalty with luxurious high quality products.
