These long-lasting Sentiments Candles contain the same formula as their award-winning Pet House Candles, so they will keep pet-loving homes smelling fresh and clean. In addition, similar to all One Fur All products, Pet House Sentiment Candles are attractive and packaged to appeal to any pet lover and home décor. They're also hand poured in the USA with 100% natural, dye-free soy wax and 100% cotton wicks.

Retailing for \$21.95, each Pet House Sentiments candle features a unique fragrance along with a pet-related quote:

- Lemon Verbena – Pets leave paw prints on your heart
- Lavender Vanilla – Love is a four-legged word
- Ocean Breeze – Rescued is my favorite breed
- Jasmine Lily – A house is not a home without pets

“When we created the Pet House Sentiments collection, it was our goal to design a vibrant appeal along with using unique scents and words that speak to every pet owners’ heart,” expresses David Neuwirth, Founder of One Fur All, “We feel we accomplished this goal and we are very excited to share this special candle line along with all of our other products with attendees of this year’s SuperZoo!”

With various pet odor elimination products available on the market, it can be difficult for a consumer to determine which products are safe and effective. Many products don't work well or may contain toxic ingredients; however, One Fur All has created a unique line of candles, wax melts, room freshening sprays and car fresheners that contain an effective odor neutralizer to create the freshest environment. All Pet House products are 100% non-toxic, allergen-free and made in the USA. Pet House products are available in over 1,000 retail stores, on-line and on Amazon.
