## Presidio Natural Pet Company Introduces Its New Off Leash Soft Bakes Product Line

**(Las Vegas, Nev.) June 26, 2018** - Presidio Natural Pet Co. is excited to announce the expansion of its healthy Off Leash training treat line, introducing Off Leash Soft Bakes! Off Leash Soft Bakes will be launching at **SuperZoo 2018, in Las Vegas, Nevada, Booth #265!**

Lightly baked to perfection, these tender, bite-sized biscuits are in a category of their own! Formulated with only high quality ingredients, free of grain, corn, soy or anything artificial, these delicious treats are everything a dog could hope for, and a treat you can feel great about feeding.

Available in four tasty recipes, Soft Bakes use meat as the first ingredient in three of our flavors and peanut butter as the first in our Peanut Butter and Bacon recipe. “We set out to create a healthy protein-rich baked dog treat to complement our popular Off Leash Mini Trainers. This meat first approach to baked treats is unique and we are excited to get them into the market.” said John Headley, Presidio Natural Pet Co’s Founder and Chief Marketing Officer.

Each delicious and protein-rich treat is only 9-calories or less and can be served whole, or easily broken down into multiple treats to accommodate smaller dogs and training activities, making Soft Bakes a favorite for puppies and adult dogs alike.

Off Leash Soft Bakes comes in four tasty recipes: **Beef & Cranberry, Chicken & Cinnamon Apple, Peanut Butter & Bacon,** and **Duck with Sweet Potato.** Off Leash Soft Bakes are available in 5oz bags and retail for \$6.99.
