***Visit us at SuperZoo 2018, Booth #4167***

**(Las Vegas, Nev.) June 26, 2018-** [Soggy Doggy Productions LLC](#), the leader in problem-solving solutions, is proud to introduce their latest innovation, the **Soggy Doggy No-Pockets Leash at SuperZoo 2018, Booth #4167!**

Designed to be an extra hand for those who walk the dog without a pocket to stow the phone, the No-Pockets Leash safely secures your phone, leaving a hand free to hold a used poop bag or other items. The waterproof phone case is attached securely by the leash handle. The clear, touchscreen window allows use of the device, including the flashlight function, while it's in the case. The No-Pockets Leash features rust-proof, nickel coated hardware and durable 5' polyester lead with decorative ribbon in signature Soggy Doggy colors and design. It's the perfect way to go hands free, making walks with your dog that much easier and enjoyable!

The No-Pockets Leash joins Soggy Doggy's line of award-winning products, like the Original Soggy Doggy Doormat, Soggy Doggy Crate Mate, and Super Shammy. Just like Soggy Doggy's wet-dog solutions, the No-Pockets Leash is functional and built to last.

The No-Pockets Leash comes in two vibrant patterns: Carolina Blue with Navy and Cranberry with Navy, and retails for \$23.99. To learn more about Soggy Doggy Productions, LLC, you can **visit Booth #4167 at SuperZoo 2018 in Las Vegas, Nevada.**
