## **Business Insurers of the Carolinas Announces SuperZoo Presence**

**CHAPEL HILL, NC** – Business Insurers of the Carolinas is thrilled to announce its first attendance at the SuperZoo Trade Show in Las Vegas. Business Insurers of the Carolinas will be located at booth 639.

Business Insurers of the Carolinas has been a proud provider of insurance coverage specifically designed for pet care professionals since 1992. By working directly with the largest pet care associations and their members for almost 25 years, BIC has gained a unique understanding of the types of claims that occur in the industry and what is needed to be properly covered. They offer the broadest coverage available, at premiums that will not break the bank.

BIC offers General Liability, Bonding, Workers Compensation, Business Owners Policies, Commercial Auto, Property & Equipment, Commercial Umbrella and more for Pet Sitters, Dog Trainers, Pet Groomers (mobile too!), Veterinarians, Pet Stores, Pet Food and Treat Manufacturers, Pet Product Manufacturers, and Boarding Kennels.

BIC understands that no two pet services businesses are alike – their aim is to educate each business on all the various coverage options available and assist in obtaining the proper coverage for each business before the claim occurs.

Visit the BIC booth for a free second opinion on your current insurance policies and learn how BIC can help you acquire the right coverage for the right price.
