*Las Vegas, NV – July 1, 2019* – One Fur All is best known for their Pet House Candles which are hand-poured in the USA with 100% natural soy wax and are tested and proven to eliminate 99% of pet odors. One Fur All is bringing new and exciting products and fragrances to this year's SuperZoo, which will be held on August 20<sup>th</sup> – 22<sup>nd</sup> in Las Vegas, NV.

Pet families can embrace and welcome the vibrant aromas that come along with the changing seasons thanks to One Fur All's pet-friendly line of air care products. At this year's premier pet industry trade event, One Fur All will feature their 2019 Autumn and Winter candle display. The Autumn display includes some of fall's favorite fragrances: Pumpkin Spice, Apple Cider, Falling Leaves and Red Currant. The winter display includes warm and festive aromas: Evergreen Forest, Holidays Fur All, Fireside and a new fragrance - Hot Cocoa!

One Fur All will also be showcasing their brand-new Pet House Wax Melt Warmer, which is a perfect addition to their growing line of pawprint shaped Pet House Wax Melts. Offered in a large variety of fragrances, Pet House Wax Melts have been extremely popular among pet owners due to its effective odor neutralizer and quality ingredients. Now pet owners can enjoy pairing their favorite wax melt with the wax melt warmer, that's decorated with paw prints and an inspiring pet quote, making it a great accessory to all animal-loving homes and an ideal gift.

SuperZoo attendees are encouraged to stop by booth #1065 to view the fall and winter candle displays and check out the launch of the new Pet House Wax Melt Warmer. Other products will be showcased like their line of Mini Candles, Car Air Fresheners, and Room Sprays (a new Pumpkin Spice Room Spray is launching as well).

With various pet odor elimination products available on the market, it can be difficult for a consumer to determine which products are safe and effective. Many products don't work well or may contain toxic ingredients. Pet House Candles are tested and proven by an independent lab to eliminate more than 99% of pet odors. One Fur All has created a unique line of candles, wax melts, room freshening sprays and car fresheners that contain an effective odor neutralizer to create the freshest environment. All Pet House fragrances are 100% non-toxic, allergen-free and made in the USA.

Pet House products are safe and smell great. They are also attractive and packaged to appeal to any pet lover, making them great gifts, too.
