

FOR IMMEDIATE RELEASE:

Pet bowl fashion has a new face! New York-based company, Park Life Designs is bringing color, chicness, and style to your pets life!

New York, NY (July-11-2019) – Park Life Designs, a fashion-forward pet product manufacturer of designer feeding and storage items was founded in New York City by a team of creative pet lovers, who wanted an extra spark in design for their pets. Frustrated with the lack of affordable, fashion-focused pet choices in the market they decided to shake things up in their own chic, fun, and vibrant way!

Made with the highest quality materials, creating their own line of functional, creatively designed products followed. As a brand that loves animals, designs quality products and embraces creativity, Park Life Designs looks forward to bringing style to your pets life!

“As a new brand, it is important for us to showcase our fresh and fashion-focused products to our pet community, and SuperZoo represents our community to the fullest.” - Harry Hooper, Park Life Designs President

Park Life Designs aims to be the destination for stylish and chic pet products for the everyday pet lover, and look forward to welcoming you and your furry-friends into the Park Life Designs community. For more information about Park Life Designs: <https://www.parklifedesigns.com/>.
